

Glyph 2.8

Hello!
 I'm Glyph.

Superhero Mask

Blessed with a curious, happy and playful personality, Glyph sees the world differently behind his infinity-sign mask, always looking out for infinite possibilities to make a difference in design, creativity, and the world.

Kitchen Glove

Picked up in the lab where he was born, it became a permanent accessory with the special power of touch that turns everything into inspiration. Glyph loves to leave behind the debossed signature 'G' - his inspired pawprint everywhere!

Stretchable Test-tube Top

An experiment itself, Glyph - the catalyst to inspire was born when a mysterious concoction of a specific 2.8 pH level brewing in a lab spill on some test-tubes, and one un-capped test-tube was filled with the blue liquid causing a reaction where subsequently his head and limbs sprouted out of the test-tube - and TA DA! Glyph was born!

Winged 'G'reek Warrior Sandals

With the positive spirit of anything is possible, the winged sandals provide nimbleness and agility to Glyph the Warrior making contributions to the design industry always.

Make a difference with Glyph – born on Boxing Day, a creative catalyst inspired to inspire.

To commemorate our 15th anniversary, Concept Lab Communications (www.conceptlab.com.sg) is spearheading this charity drive as our first national-wide attempt to raise funds for Viva Foundation For Children With Cancer, a Singapore-based charity that aims to translate the high cure rate of about 90% for childhood leukemia achieved at St Jude Children's Research Hospital in Memphis, Tennessee, USA; into Singapore and the whole region where the cure rate in some countries are low.

Linking it with our avatar – Glyph's mission to take this world by storm and make a difference, we have selected Viva Foundation to promote clinical research and treatment of childhood cancer as we share the same philosophy to experiment and discover possibilities.

To purchase, complete the form below and fax to +65 6748 0492 or scan and email to info@conceptlab.com.sg. All profits go to Viva Foundation.

I would like to (please tick below):

- purchase Glyph at S\$20 each (Quantity:)
- self-collect my purchase at Concept Lab
 (60 MacPherson Rd The Siemens Center
 Block 1 #08-10 S348615; 9am to 7pm, weekdays)
- have my purchase delivered to the following
 address with an additional S\$15.

Address:

Total Amount (S\$):

Payment Method:

- Cash (for self-collect option only)
- Cheque (make payable to "Concept Lab Communications Pte Ltd")
